Summer Reading Challenge

Nursery Educare

We are proud to offer a high standard of quality 'wrap around care' at Lyme so that the families who do not qualify for the free 30 hours offer can still have their children cared for in school for extended hours in Nursery. We offer a limited number of spaces for children who have a morning place at Nursery so they can stay for the whole day i.e. 8.45am -3.15pm. This extra session costs £12. These can be booked as single days, or any combination. But we offer 5 days for the price of 4 if a full week is booked.

We also offer the opportunity to add on 1½ hours to the morning so children can be picked up at 1pm. Your child would need a packed lunch for this arrangement and it would cost £4.

If you are interested in Educare for your child, please contact Gill in Foundation Stage.

Yesterday was the INTERNATIONAL DAY OF PEACE. This day is observed around the world each year on 21 September. It provides a globally shared date for all humanity to commit to Peace above all differences and to contribute to building a Culture of Peace.

I can honestly say that our school is a haven of peace and tranquility! Our new staff are settled and our new classes are following our rules and getting on brilliantly. This is looking like being a fantastic year. I am so proud of our community and thank you for being a very supportive and important part of it.
