

Dear Parents and Year 2,

Spring Term 2 2024

Here are our topics for this half term. Please use it to aid your own research to support your own learning.

As Readers we will:

Read to research our theme.

Read stories and books we enjoy.

Celebrate books and stories as part of World Book day.

As Authors we will:

Read the story 'Grandad's Island' and use it as inspiration for our own writing.

As Citizens we will:

Learn about the value of 'Courage' and continue our learning about PATHS.

Where in the world
are the very hot and
cold places?

As Design Technicians we will:

Create a healthy wrap. Learn how to cut, peel and grate ingredients safely.

As Computing Technicians we will:

Learn about spreadsheets using 2Calculate on Purple Mash.

As Mathematicians we will:

Recognise relationships of measurements in relation to height.

Use measurement apparatus to measure and record heights and lengths of objects.

Use the language of position and direction - half a turn, full turn, clock wise etc...

Use the language of time - o'clock

As Scientists we will:

Learn about and find habitats in our school grounds.

Describe the conditions of a habitat.

Ask questions about a habitat.

Describe the characteristics of some plants and animals.
