

SPRING 2 2024

Dear Parents and Year 5,

Here is our curriculum overview for this half term.

As Scientists we will:

Work collaboratively to investigate friction, air and water resistance.

Find out about the use of mechanisms such as levers, gears and pulleys.

As Linguists we will:

Learn the vocabulary for healthy eating and going to the market in French.

As Readers we will:

Read *Room 13*

Develop our reading and comprehension skills through shared reading.

As Athletes we will:

Develop our swimming skills.

As Citizens we will:

Explore our emotions and develop our mental health through The Hummingbird Project.

As Geographers we will:

Describe what a mountain is.

Locate the world's 'Seven Summits' on a map

Recognise how mountains are formed.

Identify the different types of mountain.

Describe the climate of mountains and explore mountain life.

Locate The UK's highest mountains.

As Religious Investigators we will:

Explore Christianity and the idea of miracles.

As Musicians we will:

Explore how music brings us together looking at the themes of peace, friendship, kindness, responsibility and charity.

As IT Technicians we will:

Develop our understanding of spreadsheets.

Use the spreadsheet program to make charts and graphs.

As Authors we will:

Write a narrative poem.

Write a character narrative.

Write a persuasive letter.

Write a report about a mountain (linked to Geography)

As Mathematicians we will:

Multiply fractions

Find fractions of an amount.

Calculate the perimeter and area of polygons.

Order, compare and round decimals

Find equivalent fractions, decimals and percentages.
