**Attendance Policy Overview 2023-24**

At Lynn Community Primary School, we aim to consistently work towards our goal of 100% attendance for all children. Every opportunity will be used to convey the importance of regular, punctual attendance to pupils, parents, and carers.

Our school is committed to providing the best possible quality of education to all learners. For a child to reach their full educational achievement a high level of school attendance is essential.

**'Attendance is EVERYBODY'S responsibility'**

It is the responsibility of all members of our school community to maintain and monitor good school attendance.

**REPORT IT FIRST DAY**

If your child is going to be absent from school, please report this ASAP via the school office.

Picture News

---

*As a gold Rights-Respecting School, our children discuss different issues each week using Picture News. This week's Picture News was all about the following question: Should mobile phones be banned in all classrooms?*

---

## TAKEHOME

### In the news this week

**Should mobile phones be banned in all classrooms?**

Ministers have confirmed plans to ban the use of mobile phones in English schools and have released guidance for headteachers. The guidance is not statutory and offers schools different ways of introducing the ban. These include an order to leave all phones at home, handing them in on arrival, keeping them in inaccessible lockers or allowing pupils to keep them, on the condition they are not used or heard.

**Things to talk about at home –**

- Share your experience of mobile phones and other portable devices. Do you use them at home or at school? Do you enjoy using them?
- Discuss with people at home your thoughts on the new guidance. Do you all agree that mobile phones should be banned in secondary school classrooms?

Please note any interesting thoughts or comments

### Rule of Law

Sometimes bans can be put in place, which means something is officially or legally prohibited (disallowed). Rules and laws are there to help protect us and keep us safe.

## Protected Characteristics

Our religion or belief can affect if, how and when we choose to use digital technologies.  
We should never be treated unfairly because of our religion or belief.

## UN Rights of a Child

Different countries have different rules and laws. If the laws of a country protect us better than the UN Rights of a child, then those laws should be used.

## PE Reminders

---

*The children can come to school on their PE days in their PE kit: white t-shirt, red shorts, trainers. They can also wear their school jumper or cardigan when needed.*

*Just a reminder that children under the age of 16 cannot pick up children from school or ASC. If it is a different adult than usual picking your child up from school, please can you let school know.*

If your child requires medication to be administered it **must** be handed in and the office by an adult and a slip completed. Children should not have it stored in their bag or bring it into class. This is so that we can ensure it is stored and administered safely.

Thank you.

## Operation Encompass

Our school is part of Operation Encompass which is a national scheme that operates jointly between schools and police forces.

Operation Encompass is the reporting to schools, prior to the start of the next school day, when a child or young person has experienced domestic abuse.

As a school we have ensured that a member of our staff, (Designated Safeguarding Lead) known as a Key Adult, has been trained in the Operation Encompass procedures allowing us to then use the information that has been shared, in confidence, to support the child/ren in our care.

The Domestic Abuse Act 2021 identifies children who experience domestic abuse as victims of domestic abuse in their own right.

We are keen to offer the best support possible to all our pupils and we believe this will be extremely beneficial for all those involved.

Mrs. Roberts and Mrs. Lammond have received training around this, please speak to them for more information, advice or support.

**Operation Encompass is a national scheme that operates jointly between schools and all police forces.**

Children who live in homes where there is domestic abuse, or who experience domestic abuse in their own teenage relationship, can be negatively impacted by this experience.

Children who experience domestic abuse are recognised as victims of domestic abuse in their own right<sup>1</sup>.

We have ensured that a member of our staff, (Designated Safeguarding Lead) known as a Key Adult, has been trained about Operation Encompass procedures. This allows us to use the information that has been confidentially shared with us by the police, to understand how a child may be impacted by domestic abuse and to then offer support to the child/ren in our care.

Operation Encompass means that our school will be told, prior to the start of the next school day, when police have attended an incident of domestic abuse where there is a child or young person who attends our school who is related to any of those involved in the incident.

This information means that we can understand a child's behaviour and support that child in whatever way they may need or want.

We are keen to offer the very best support possible to all our pupils and we believe that being part of Operation Encompass helps us to do this.
