Jodrell Bank

Report by Laylah and Harmony

On Tuesday Y5 went to Jodrell Bank. We did lots of experiments and activities. One of our favourite things

was when the bottle set on fire with fuel, heat and oxygen to represent a rocket taking off.

Photos ARE on the website in the Y5 class folder.

GLASSES

We've noticed there are a number of children who aren't wearing their glasses. Can you please make sure that if they are needed; your children have them on for school.

Phonics Workshop

Thank you to all who came! We REALLY appreciate your time and support in enabling us to work together and make sure all our children become fluent readers.

2019-2020 Holiday Dates

These are coming out today with the Newsletter and they are on our website.

Mischief Makers

This is the last call for any child who hasn't already done so, to bring their certificate to me for their photo. We'll do the draw next Friday for the £25 TESCO voucher.

World Teachers Day

Article 3

All organisations concerned with children should work towards what is best for each child.

Today is a special day as the United Nations decided that across the world the 5th October should be set aside as a day to celebrate all the wonderful work educators do.

To show their appreciation and to celebrate the staff of our school, the job they do and the opportunities that they provide for them, our students took the opportunity to send their teachers and teaching assistants a message. See the results on the home page of our website.

I personally want to thank

**YOU'RE
SIMPLY
THE BEST
BETTER THAN
ALL THE REST**

everyone who works at Lyme. We are so fortunate to have some of the most caring, thoughtful, hardworking, creative, passionate and outstanding

people coming to our school every day to work with our children and make a difference.

Happy World Teachers Day!

Marie Cribb
