

Dear Parents and Year 4 Summer 1

Here is our topic for this half term. Please use it to aid your own research or bring things into class to support your own learning.

As Historians we will:

Find out about the Ancient Egyptians including:

- Famous Pharaoh's
- Egyptian gods and goddesses
- Famous discoveries
- Egyptian mummies

As Citizens we will:

Be looking at our feelings and how we can recognise them. We will also learn how to control our feelings and emotions.

As Authors we will:

Plan, draft, write and evaluate our own and others work. We will write a newspaper report on the discovery of Tutankhamun and explore Egyptian myths and legends to write our own version.

We will write a letter from Hogwarts to Harry Potter and a short story related to the book.

As Readers we will:

Increase our familiarity with stories set in Egypt and look at a range of Egyptian stories including The Egyptian Cinderella. We will be reading and discussing 'Harry Potter and the Philosopher's Stone' by J.K. Rowling.

Why were the Ancient Egyptians so Awesome?

As ICT technicians we will:

Develop our computer skills by presenting our work in different ways.

We will also be looking producing digital music.

As Team Players we will:

Develop and improve our team playing skills through a variety of games and will perform dances using a range of movement

As Geographers we will:

Locate Egypt using maps and identify key geographical features including the River Nile, the Mediterranean Sea and the deserted landscape.

As Mathematicians we will:

Be learning about:

- Decimals
- Money
- Measurement

As musicians we will:

Play and perform percussion instruments in solo and ensemble contexts.

Appreciate and understand a wide range of music drawn om different traditions and great composers.
