## Year 6 Primary Languages SoW Content

The Primary Languages Network Ready Made KS2 SoW contains all lesson plans, resources and teacher sound file support, exploring target language and language learning skills through drama, performance ,songs, rhymes, stories. Throughout the year the children will listen, speak, read, write and explore phonics and grammar. This year they will:

- Bring together all the key components that have practised to describe themselves, ask questions about yourself and to • describe someone else.
- Children will develop Drama and performance from transcript independent investigation / reading comprehension
- Be encouraged to write accurately and to create draft tweets saying what they want to say in 140 characters.
