

*Dear Parents and Year 6,*

*Autumn 2 2019*

Here is our topic for this half term. Please use it to aid your own research or bring things into class to support your own learning.

*As Scientists we will:*

Recognise that light travels in straight lines to explain why shadows have the same shape as the objects that cast them.

Explain that we see things because light travels from light sources to our eyes or from light sources to objects and then to our eyes.

*As French linguists we will:*

Greet someone and say how we feel.

Recognise and use adjectives for colours.

Explore the days of the week and the months of the year.

*As Citizens we will:*

Think about the value of diversity .

*As Authors we will:*

Write a diary entry

Write a play script.

Create character sketches.

Write a recount.

*As Readers we will:*

Read *Macbeth* and other Shakespearean plays.

*Do you always believe what you see?*

*As Mathematicians we will:*

Use all 4 operations to solve a range of one and two step word problems.

Investigate multiples, factors, primes and prime factors.

Solve puzzles and problems.

*As Artists we will:*

Discover how artists play with perspective, lines and colour to create clever and mind-bending illusions.

Create our own art illusions.
