

Dear Parents and Year 3,

Here is our topic for this half term. Please use it to aid your own research or bring things into class to support your own learning.

SPRING 2 2021-2022

As Citizens we will:

- *Think about our value of resilience and courage alongside the UN Rights of a Child articles.
- *Continue learning about our feelings using PATHS,

As Athletes we will:

- * Develop our skills in a range of net and wall games.

As Geographers we will:

- *Locate North America and explore the landscape.
- *Identify the countries and states within North America..
- *Explore the physical geography of Mount St Helens and compare the landscapes of different states.

As ICT technicians we will:

- *Be learning how to touch type.
- *Develop and increase our typing speed.

Would you like to live in North America?

As Scientists we will:

- * exploring how a seed becomes a fruit.
- * identifying the different parts of the plant and what job they all do.
- * thinking about the different food groups available to us and how they benefit our bodies.
- * investigating the different bones in our bodies.
- * thinking about the job our muscles do in helping our bodies to grow and move.

As Mathematicians we will:

As Mathematicians we will:

- * Continue to develop our rapid recall of our times table facts through games and songs.
- * Continue to apply our knowledge in reasoning and problem solving activities.
- * Study tally charts, pictograms and bar charts.
- * Start to investigate length and perimeter.

As Authors we will:

- *Be reading tales with a twist and creating our own version.
- *Learn and performing poetry by heart.
- *Create a holiday brochure linked to our geography topic.

As Readers we will:

- * Develop our reading and comprehension skills through guided and shared reading.
- * Read our class novel 'The Bad Boys'

As Artists we will:

- *Seeing simple shapes that make up objects we see.
- *Look at objects and identify their simple geometric shapes.
- *Learn and apply the four rules of shading.
