

Year 6 Home Learning

Here is a suggested timetable for this week - please feel free to complete any other activities recommended on our website. **For many of you, it is your virtual transition week at Hope Academy. All the sessions in red are those to be completed as part of this transition.** I have added some additional activities for anyone not going to Hope Academy or if you would like other tasks to do during the week. If you take any photos of your work, please email them to school for us to see!
