

Dear Parents and Year 2,

Summer Term II 2022

Here are our topics for this half term. Please use it to aid your own research and support your learning at home.

As Readers we will:

Read to research our theme.
Continue to read stories and books we enjoy including 'Tidy' by Emily Gravett.

As Athletes we will:

Learn more about movement and balance

As Citizens we will:

Learn about the value of 'Courage' and continue our learning through PATHS.

As Mathematicians we will:

Tell and write the time to 5 minutes.

Know the number of minutes in an hour and the number of hours in a day.

Compare and sequence intervals of time.

Recognise relationships of measurements in relation to height.

Use measurement apparatus to measure and record heights and lengths of objects.

What do plants need to grow well?

As Authors we will:

Continue looking at the Y2 spelling rules – in particular homophones and making singular nouns plural.

Use capital letters, full stops, question marks and exclamation marks in our writing.

Begin to extend sentences with different connectives.

Use commas in a list and begin to use the possessive apostrophe.

As Design Technicians we will:

Design and make a vehicle using joining mechanisms (gluing, hinges and combining materials for strength).

As Computing Technicians we will:

Use Purple Mash to create music.

As Scientists we will:

Make close observations of seeds and bulbs.

Classify seeds and bulbs.

Look after plants as they grow.

Make close observations and measurements of plants.

Make comparisons between plants as they grow.
