

Football Net Template Paper Craft

1. Carefully, cut out the two parts of the model along the solid black outlines.
2. Take the first half of the football and fold down all of the dotted lines.

- 1) Cut _____
2) Hill Fold - - - - -
3) Valley Fold - - - - -
4) Glue

3. Glue all of the tabs to the neighbouring section of the football. The tabs should all be on the outside of the ball so that the numbers are covered.
4. Repeat the above steps for the second half of the football.
5. You should now have two halves of a football.
6. Line up the three white tabs on the first half of the ball to the sections numbered 22, 35 and 26 on the second half of the ball. Then, glue the tabs into place.
7. Glue the remaining tabs so both halves are now one whole ball.
