What are they?

Up, up and away..  
Soar into Year 6

I really enjoyed making the Viking boats and reading Kensuke's Kingdom. You are expected to work hard in Y6 but it is fun.

Scarlett

Y6 is hard work but also fun. I really enjoyed making the Viking boats and the optical art illusion cubes.

Cassie

You learn about many amazing things in Y6 - the Vikings, dragons, chocolate tasting and rainforests. It can be hard in Y6 but you have a laugh with Miss Hope and Vicky.

Jake

I really enjoyed learning about rainforests and we made salt dough maps. Our work on the Vikings was fun too—we made a board game, a clay pot and a boat.

Annabelle

It is hard work at times but the staff always help you to succeed. You need to try your hardest, not to be silly and be mature.

Harvey

You are expected to try your best and NEVER GIVE UP. I personally enjoyed reading Hansel and Gretel as it was so interesting to listen to.

Harmony

You need to work hard in Y6 and have a good attitude. I enjoyed the art illusions work and also the chocolate tasting activity when we learned about the Mayans.
