

Mrs Jones

Hello. I am Mrs Jones and I am the Year 5 teacher. I have worked at Lyme Community for the past 4 years and know it is the best school in the world! I am the Maths subject leader and I am determined for all my children to love this subject as much as I do.

When I'm not in school, I enjoy spending my time running, at the gym and as I have recently bought a bike; cycling (or sometimes falling off 😊). I've completed some 10k runs in St Helens and Manchester. I am hoping to complete a half marathon when lockdown is over. I am very competitive and always aim to beat my personal best. I also love spending time with my 3 children and my cocker spaniel.

In Year 5, you can expect to have fun and exciting lessons and develop a passion for learning. I expect children to keep trying their best and my motto is **'Don't give up until you are proud.'** We also have 'peer listeners' who help children sort any disagreements or fall outs during playtimes. My Year 5 children act as excellent role models for the school.

We learn many interesting topics from Space, to World War 2, America and the Saxons. We have a range of class novels that the children love to read – one of our favourites being 'Holes'. In maths and English we will be revising and building on the skills you have learnt in previous years.

I am sure you will enjoy your time in Year 5 and I am really looking forward to meeting you all in September.
