

# MEET Mrs Reid

My name is Mrs Reid and I will be your teacher in Year 2. I started working at Lyme Community Primary School in January. I have been a teacher for 17 years and have worked at 3 different schools prior to joining your school.

In my spare time I enjoy reading books and I like going to the theatre to watch musicals. I love going on holidays and spending time with my family.

I have a little dog called Jovi who I like to take for walks and I support Wigan Athletic football club and have a season ticket.

## THE AUTUMN TERM IN YEAR 2

In the autumn term we will be getting to know each other and we will be playing lots of games and completing lots of fun, creative activities to help us settle back into school. Our PATHS curriculum will be at the heart of our daily learning with the focus being on the wellbeing of every child.

We will be sharing and enjoying stories together and we will be using these to help us write own super sentences and stories. In maths, we will be using our knowledge of number bonds from Year 1 to help us with simple additions and subtractions.

We will be learning about the exciting event from history THE GREAT FIRE OF LONDON!

I am looking forward to September already. Have a lovely summer 😊
