Social medias

Youtube may be fun but there are videos that may have viruses on them, so be careful. If you make videos be careful where you make them, because someone could find you.

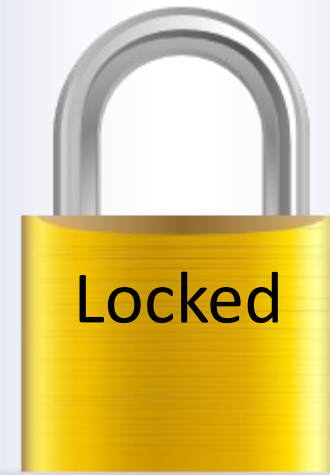

Twitter has an age limit which is 13. Twitter may be a place to share happy moments to people, but do you know those people? If you are under 13 and you have it, you are not allowed on it.

Instagram is where you share pictures of ANYTHING. That means anybody could put anything on there. The age limit to Instagram is 13.

Facebook is a site for adults and teenagers. People write naughty things on there. The age limit is 13. You should not go on it.

Don't tell ANYBODY your name even if you have 'known' them for months.

Never open emails from people that you don't know.

Never tell ANYBODY your address.

Don't share ANY photos on social sites.
