Article 28

Every child has the right to an education. Primary education must be free. Secondary education must be available for every child. Discipline in schools must respect children's dignity. Richer countries must help poorer countries achieve this.

Article 29

Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment.

1. Introduction

At Lyme Community Primary School, we aim to consistently work towards our goal of 100% attendance for all children. Every opportunity will be used to convey the importance of regular, punctual attendance to pupils, parents, and carers.

Our school is committed to providing the best possible quality of education to all learners. **For a child to reach their full educational achievement a high level of school attendance is essential.**

'Attendance is EVERYBODY'S responsibility'

It is the responsibility of all members of our school community to maintain and monitor good school attendance.

Our attendance expectations are very simple:

We attend school **REGULARLY**

We attend school **PUNCTUALLY**

We attend school **READY** to learn

We expect all our children to achieve at least a **96%** attendance percentage each year. However, we know that there can sometimes be exceptional reasons why children cannot attend school, such as illness.

At Lyme Community Primary School, we will listen, understand, empathise, and provide support when children are unable to attend school – however we will not tolerate poor attendance and will always be proactive in helping our families to improve this, enable children to return to the classroom as soon as possible.

This policy will set out, in detail, the many ways in which our community will work together to support good attendance.

2. What are the attendance expectations?

2.1 School Aims

- ✓ We want all our children to attend school daily, arriving on time and to be ready for a day of learning.
- ✓ We want all our children to achieve at least a **96%** attendance rate.
- ✓ We want to remove barriers that prevent children from having good school attendance
- ✓ We want to support families to achieve good school attendance for their children
- ✓ We want our children to be safe, healthy and successful.

2.2 Statutory Requirements

The 1996 Education Act states:

'It is the duty of the parent of every child of compulsory school age to ensure they receive efficient full-time education suitable to their age, ability and aptitude, and any special educational needs they may have, either by regular attendance at school or otherwise'

A Supreme Court ruling on 6th April 2017 stated that 'regularly' means 'in accordance with the rules prescribed by the school' – which at Lyme Community Primary School is ensuring that your child maintains at least a 96% attendance rate.

Compulsory school age begins at the start of the term following the child's 5th birthday and ends on the last Friday in June of the school year when they reach 16.

The school is obliged by law to differentiate between authorised and unauthorised absence. A letter or telephone message from a parent does not in itself authorise an absence. Only the school's acceptance of the explanation offered by the letter/message authorises the absence.

The policy should be read in conjunction with other school policies relating to interaction between adults and pupils.

3. What are the school attendance routines?

3.1 The School Day

8:00 – Breakfast Club

Children can join our Breakfast Club daily for wrap around childcare. From 8.50, we also provide an additional club to target children that may need a slower start to the day or would benefit from arriving at school a little earlier.

8.45am – Main school gates open for Nursery – Year 6

8.50am – The bell rings and staff collect their classes from the playground

9.00am - The morning register is taken, and the school gates are closed.

All children are expected to be in class ready for the register to be taken. Children who arrive to school after this time will receive a 'late mark', which stays on their attendance record. Children arriving after 9.00am should enter school through the main office.

9.30am - The morning register closes.

Children arriving to school after this time will be recorded with an unauthorised absence which will remain on their attendance record.

11:45am- End of the school day for our morning nursery children

12.15pm Afternoon registers are taken for our afternoon nursery children

12.45pm – Afternoon registers are taken in KS2

1pm – Afternoon registers are taken in YR and KS1

15:15pm – End of the school day for Nursery to Year 2

Children should be collected from their outside classroom door.

15:20pm – End of the school day for KS2

Children will be led out by their class teacher and should be collected from the KS2 playground.

17:30pm – After School club closes

All children must be collected by 5.30pm. Please note you may be subject to an additional charge by our after-school club provider if you arrive after this time.

3.2 Registers

The attendance register is a legal requirement and must be taken twice daily. The register is taken at the beginning of each morning and afternoon session at the times stated above. School must distinguish between authorised and unauthorised absences.

Registration is an important time when children are welcomed by the class teacher and news and information is shared. As a school, learning tasks begin as soon as the children enter the classroom. Children who arrive late miss out on this crucial time.

Registers are recorded electronically and coded in accordance with current government advice. Pupil absence will be recorded as 'N' (reason not known) until school receive a reason for the absence. This will then be changed to either an authorised or unauthorised code. School will make the decision whether an absence will be authorised.

The school's register will inform the fire evacuation register. If the computer system fails, a paper register will be taken by the class teacher. This will be entered on to the system at the first opportunity.

3.3 Lateness

Poor punctuality is not acceptable. If your child misses the start of the school day, they can miss important learning and they do not spend time with their class teacher getting vital information and news for the day. Late arriving pupils can also potentially disrupt lessons.

The school day starts at 8.50am when the class teachers collect the children from the playground, we expect your child to be in class and ready to learn by 9.00am.

School doors close at 9.00 am and the class register closes at 9.00am. Pupils arriving after this time then need to access school from the main entrance via the school office. Parents will be asked to sign in their children with a reason for lateness. Those children arriving after 9.00am will receive a present mark coded as 'L' late on the register.

At 9.30am the registers will be closed. In accordance with regulations. If your child arrives after that time, they will receive a mark that shows them to be on site, but this will not count as a present mark, and it will mean they have an unauthorised absence (U).

If a child has 10 unauthorised marks during a 10-week period they may be issued with a Penalty Notice Fine (£60 per child, per parent/carer, rising to £120 if not paid within 21 days).

Punctuality issues are taken very seriously by school and systems are in place to notify parents of the number of times a child is late half termly.

Parents of children who arrive late on a regular basis will be invited into school to discuss the issues and concerns around the punctuality of their child. If not addressed promptly by parents, it can lead to legal sanctions to address the issue.

3.4 Reporting Absence

REPORT IT FIRST DAY

If your child is going to be absent from school, please report this ASAP via the school office

If your child is absent, you must contact us on the first day of absence before 9.30am by phone or calling into the school office stating a reason why your child is absent.

Parents are requested to return their child to school as soon as possible after an absence. They can return to school if feeling better in the afternoon and should return to school once better even if there is only one day of the school week left.

School use a 'first day response' system for following up unexplained absence. This is a safeguarding strategy. School also has a 'second day response system' as a safeguarding strategy. **We expect parents and carers to contact school on each day of absence before 9.30 am. If school does not receive a call reporting the child's absence, they will be given an unauthorised absence mark for that day.**

For this reason, it is important that you always keep school up to date with your current contact numbers. If we cannot reach parent/carers on the telephone numbers given, we will try and contact other emergency contact numbers you have provided.

If school cannot contact parents/carers or other emergency contacts for the absent child/ren, 'the second day response' system will be followed: the Pastoral Team or Local Authority Education Welfare Officer will be requested to visit the home to confirm the reason why children are absent. School will then decide whether or not to authorise the absence.

3.5 Authorised/Unauthorised absences

Absence from school may be authorised if it is for the following reasons:

- Illness
- Unavoidable medical appointments (with evidence)
- Days of religious observance (with evidence)
- Exceptional family circumstances (with evidence)

If your child is ill and you are unsure if they should stay off school, please contact the school office for advice. Please note however we will not be able to give you any medical guidance – this should be sought from the appropriate service such as your GP, local walk-in centre or by calling 111.

Please refer to this helpful NHS guide to common illnesses and if they require absence from school:

Should I keep my child off school?

Yes

	Until...
Chickenpox	at least 5 days from the onset of the rash and until all blisters have crusted over
Diarrhoea and Vomiting	48 hours after their last episode
Cold and Flu-like illness (including COVID-19)	they no longer have a high temperature and feel well enough to attend. Follow the national guidance if they've tested positive for COVID-19.
Impetigo	their sores have crusted and healed, or 48 hours after they started antibiotics
Measles	4 days after the rash first appeared
Mumps	5 days after the swelling started
Scabies	they've had their first treatment
Scarlet Fever	24 hours after they started taking antibiotics
Whooping Cough	48 hours after they started taking antibiotics

No

but make sure you let their school or nursery know about...

Hand, foot and mouth	Glandular fever
Head lice	Tonsillitis
Threadworms	Slapped cheek

If a child's absence is a cause for concern or your child is classed as a persistent absentee (attendance below 90%), school will ask the parent/carer for medical evidence such as prescriptive medicine, doctors stamped appointment cards, care at the chemist booklet etc. to authorise further absence. Parents will not be asked for doctor's notes that incur a cost.

Absence from school will not be authorised for:

- Shopping
- Having to stay at home due to an unwell sibling or parent.
- Day trips
- Birthdays
- Holidays
- Rest days after a poor night sleep

Parents of children with a high incidence of unauthorised absence may be invited into school to attend a 'School Attendance Meeting' with a member of the Pastoral Team and/or the Local Authority Education Welfare Officer.

If not addressed promptly by parents, it can lead to legal sanctions such as Penalty Notice fines or prosecution in the Magistrates Court.

3.6 Leave of absence during term time

School cannot authorise time off for family holidays during term time and parents do not have the right to take their child out of school for such holidays.

Parents must apply for leave of absence during term time in all instances. A form (Appendix 1) is available, to request in writing a leave of absence from the school office.

Parents must apply to the Headteacher at least 2 weeks before the intended absence and provide necessary evidence of the exceptional circumstance. The Headteacher will decide if the leave will be granted and how many days will be authorised.

If the Headteacher does not grant an application for leave of absence and parents decide to take the holiday anyway, the absence will be unauthorised, and the parents may receive a Penalty Notice Fine. Penalty Notice Fines can be issued to each parent for every child concerned.

3.7 Fixed Penalty Notices

Lyme Community Primary School has adopted the use of Fixed Penalty Notices and complies with St Helens Local Authority code of conduct which governs the use of these.

The school may request a Fixed Penalty Notice to be issued if a pupil has 20 sessions (10 days) of unauthorised absence recorded within a 10-week period or if there are 10 sessions recorded as the pupil arriving late after the register has closed within a 10-week period.

Under the provisions of sections 444a and 444b of the Education Act 1996, the Local Authority may, in cases of unauthorised absence, issue a penalty notice to the parent(s) or carer(s) responsible. Under these provisions the penalty is £60 if paid within 21 days of the receipt of the notice, rising to £120 if paid after 21 days, but within 28 days of receipt. Penalty notices are issued to each parent/carer for each child.

3.8 Children Missing in Education

Lyme Community Primary School follow local authority children missing education policy and procedures. The school's Designated Safeguarding Officer and Headteacher are responsible for the implementation and monitoring of all pupils who fall into the category of 'Children Missing Education in partnership with the school's Local Authority Education Welfare Officer.

During the first 10 days of absence, where a child has ceased to attend school without a valid reason, the school will take appropriate action to try to locate the child and establish whether they are on roll at another school.

Actions to trace should include:

- Initial action to contact parents/carers (phone call, 'first day calling', text, email)
- Checking possible whereabouts with staff and other pupils
- If any siblings at another school, check with that school
- Visit to last known address
- Writing to parents (at last known address or new address if known)
- Making contact with relevant agencies (social care etc)

If the child is not found, and/or not on roll at another school, within 10 days: Lyme Community Primary School will follow the Children Missing Education Procedure and inform the relevant services (social care) of our concerns.

4. How do school monitor attendance?

4.1 Daily Register Checks

At the beginning of each day once the registers have closed, we look at which children are absent from school. We check that we have explanations for absence, contacting families if we do not or need to ask more questions about the reason given. If we are unable to make contact, we will call the other numbers you have provided or complete a home visit.

If we have concerns about your child's level of absence from school, we also may need to refer to other services or implement additional supportive measures (See Section 6).

If your child has not returned to school by day 2 of their absence, we will contact you for an update and to check everything is ok.

4.2 Weekly Attendance Review

We monitor our registers on a weekly basis with the support of our Local Authority Educational Welfare Officer to check for patterns of absence, punctuality difficulties and children where attendance is becoming of concern.

If we are worried about any of the above, we will contact you and invite you into school to discuss our concerns and any support that may be required (See Section 6 for more detail).

4.3 Termly Monitoring

At the end of each term, we will send home a letter to inform you of your child's current level of attendance. We will indicate where they fall on our school 'Attendance Ladder' (see page 13) and let you know if there are any further actions needed.

Remember you are aiming for your child to remain 'green' with attendance over 96%.

Attendance below 96% (amber) may result in you being required to attend school to discuss how we can support your child to increase their attendance rate.

Attendance below 92% (red) will result in a referral to the Local Authority Educational Welfare Officer to prevent your child from becoming a persistent absentee if attendance drops below 90%.

4.4 Reporting to Parents

In addition to receiving a termly letter to advise you of your child's attendance. Parent/carers will also be informed of their attendance % rate at parents evenings and in the end of year report.

As we seek to raise the profile of attendance across school, please be advised that your child's attendance will also be a topic of conversation during any other meetings that are held for them during the year. Staff may also choose to highlight attendance during any phone calls made to discuss other matters.

In addition, parents/carers can request their child's attendance information at any point during the school year but contacting the school office.

4.5 Reporting to other agencies & services

Every term the school completes an attendance report to share with Governors. This information does not include individual pupil data but instead reports absence levels at a whole school / year group level.

The aim of reporting attendance data to our Governing body is to enable them to support and challenge school regarding pupil attendance, driving improvement and therefore increased outcomes for our children.

Whole school and individual pupil attendance data is also collected by the Local Authority, via the Educational Welfare Service, to ensure that no family miss out on support needed to improve attendance and therefore outcomes for their child.

5. How do school motivate children to have good attendance?

5.1 Rewards

At Lyme Community Primary School will strive to make pupils feel welcome and valued and will encourage good attendance with praise, incentives, and rewards through:

- ✓ A weekly class prize for the classes who achieve over 96% attendance
- ✓ Every child achieving 100% attendance will be entered into a weekly draw to win a prize.
- ✓ Weekly celebration text messages for children achieving 100% attendance
- ✓ End of term certificates for children who have maintained a 100% attendance score.
- ✓ End of year prizes for children who have maintained a 100% attendance score

5.2 Awareness

- ✓ Weekly attendance results and targets shared in weekly Celebration Assembly
- ✓ Parents and pupils will be reminded regularly of the importance and value of good attendance and punctuality through children's interim feedback sheets, newsletters, letters home, social media posts and parents' evenings.

6. Who can support me to improve my child's attendance?

We understand that sometimes children may have medical conditions, mental health needs or family circumstances that can be a barrier to good school attendance.

At Lyme Community Primary School, we are determined that we can, in most cases, provide solutions to ensure that children can be present at school and not miss out on the benefits that this brings.

We have a highly trained staff team who can support our families to develop individualised plans and where necessary additional supportive strategies to ensure that all children can be present at school.

All staff are happy to speak with you regarding concerns that may impact on attendance, and we encourage you to do so without delay. Staff members are present on the yard at the beginning and end of the school day or can be reached via the school office.

6.1 Key members of staff that can provide support

We always urge our families to contact class teachers in the first instance, who can provide support with friendship difficulties, worries about class work, homework etc

However, you may also want to speak to:

Key Attendance Contact at Lyme Community Primary School:

Jen Lammond –Pastoral Manager

Hayley Hewitt – Education Welfare and Engagement Officer

7. What happens if my child has poor attendance?

We have a tiered approach to supporting our families with improving their child's attendance

7.1 Tier 1 'Green'

If your child has attendance of 96% or above, they are classed as 'green'. We will celebrate this with you at least termly using the measures described in Section 4. We ask that you continue to follow the school policy regarding reporting any absence from school and communicate any circumstances that may cause your child's attendance to decline.

7.2 Tier 2 'Amber'

If your child has attendance between 92% and 96%, they are classed as 'amber'.

On a termly basis, parents of pupils whose attendance falls below 96% become closely monitored. Parents may be sent a letter or email alerting them to this fact. Parents may be invited to contact a named attendance support person if they require any support to improve their child's overall attendance or if there are any specific issues that the school should be aware of.

If attendance falls below 92% you will be invited into school for a School Attendance Meeting, which may also be attended by the Local Authority Educational Welfare Officer. At this meeting we will look at things that are working well for your child, things that need to improve and put a plan in place to help your child's attendance to improve, involving other supportive agencies if necessary e.g. School Health, Home Start, SEND services etc.

7.3 Tier 3 'Red'

If your child's attendance falls below 91% we will complete a formal referral to the Educational Welfare Service. You will have already been into school to meet with us but the plans created have not been effective in improving your child's attendance. With the Educational Welfare Officer's support, we will create an Attendance Support Plan, if appropriate to do so. In some circumstances parents will be asked to provide medical evidence for any future absences for them to be authorised and the possibility of a fixed penalty notice being requested will be discussed if appropriate. The Attendance Support Plan will include attendance targets. The plan will be reviewed at the end of six weeks and next steps discussed depending on the outcomes of the plan.

7.4 Persistent Absentees

Your child becomes classed as a 'Persistent Absentee' if their attendance falls below 90%.

Every persistent absentee works closely with the Pastoral Team and they will be discussed regularly in attendance/pastoral review meetings. Their academic progress will also be carefully monitored by the class teacher to ensure that absence from school is not having a

detrimental impact upon their learning. An impact form will be shared with the child, parent/carer.

You will continue to be supported by both the school and the Educational Welfare Service to see an improvement to your child's attendance. If no improvement is observed or your child continues to be absent from school on an unauthorised basis, despite a supportive package being put into place, formal support strategies may need to be considered, including:

- A Parenting Contract – setting out measures to improve attendance and timescales to do this.
- Fixed Penalty Notices
- Education Supervision Order
- Criminal prosecution

If your child has been classed as a 'persistent absentee' during the previous academic year, their attendance will be closely monitored, and you may be invited into school to attend a School Attendance Meeting as a preventative measure to prevent this from happening again.

Parents of children who are or have previously been 'persistent absentees' will always be contacted when their child is absent. The Pastoral Team and Educational Welfare Officer will make use of home visits to support with attendance.

7.5 Severe Absentees

If your child's attendance falls below 50%, they are classed as a 'severe absentee'. By this stage many services may be in place to provide support to your family, and you will be attending regular meetings at school – with a robust plan in place to try to improve attendance.

Individual child and family circumstances need to be extensively explored at this stage with appropriate referrals being made to other services e.g. Educational Welfare Service, SEND Support Service, Social Services, the School Health and other agencies to support and help pupils with attendance difficulties, if all professionals involved agree this is needed.

The school will support pupils who are absent as a result of long term chronic or life-threatening illness by adhering to current government guidance for children with medical needs. This may involve a plan of support and a re-integration plan back into school.

7.6 Part Time Timetables

All pupils of compulsory school age are entitled to a full-time education. In very exceptional circumstances and with the agreement of the Local Authority, where it is in a pupil's best interests, there may be a need for a temporary part-time timetable to meet their individual needs. For example, where a medical condition prevents a pupil from attending full-time education and a part-time timetable is considered as part of a re-integration package.

A part-time timetable should not be used to manage a pupil's behaviour and must only be in place for the shortest time necessary and not be treated as a long-term solution.

Any pastoral support programme or other agreement should have a time limit by which point the pupil is expected to attend full-time, either at school or alternative provision.

There should also be formal arrangements in place for regularly reviewing it with the pupil and their parents. In agreeing to a parttime timetable, a school has agreed to a pupil being absent from school for part of the week or day and therefore must treat absence as authorised.

8. Conclusion

8.1 Equality through delivery of this policy

Lyme Community Primary School is committed to the principle of equality for all pupils irrespective of race, religion, gender, language, disability, or family background, and to the active support of initiatives designed to further this principle.

All members of Lyme are valued, important and deserve equal access to a high-quality education through good attendance at school.

8.2 Links to Government Legislation

This attendance policy adheres to current government legislation and guidance.

1. Impact of poor attendance

Extract taken from:

‘Working together to improve school attendance. Guidance for maintained schools, academies, independent schools, and local authorities’

Published May 2022

The pupils with the highest attainment at the end of key stage 2 and key stage 4 have higher rates of attendance over the key stage compared to those with the lowest attainment.

At KS2, pupils not meeting the expected standard in reading, writing and maths had an overall absence rate of 4.7%, compared to 3.5% among those meeting the expected standard. Moreover, the overall absence rate of pupils not meeting the expected standard was higher than among those meeting the higher standard (4.7% compared to 2.7%).

At KS4, pupils not achieving grade 9 to 4 in English and maths had an overall absence rate of 8.8%, compared to 5.2% among those achieving grade 4. The overall absence rate of pupils not achieving grade 9 to 4 was over twice as high as those achieving grade 9 to 5 (8.8% compared to 3.7%)

For the most vulnerable pupils, regular attendance is also an important protective factor and the best opportunity for needs to be identified and support provided. Research has shown associations between regular absence from school and a number of extra-familial harms. This includes crime (90% of young offenders had been persistently absent) and serious violence (83% of knife possession offenders had been persistently absent in at least 1 of the 5 years of study)

Attendance Policy Overview 2023-24

At Lyme Community Primary School, we aim to consistently work towards our goal of 100% attendance for all children. Every opportunity will be used to convey the importance of regular, punctual attendance to pupils, parents, and carers.

Our school is committed to providing the best possible quality of education to all learners. For a child to reach their full educational achievement a high level of school attendance is essential.

Dear

This letter is to thank you for ensuring that your child has had good attendance at school this term.

You will see from our attendance ladder that your child is currently in the **Green Attendance Group** which means that your child has successfully reached our school target of at least 96% attendance.

We ask that you continue to follow the school policy regarding reporting any absence from school and communicate any circumstances that may cause your child's attendance to decline.

Please keep up the good work!

Thank you for your support.

Dear

This letter is to let you know that having reviewed your child's attendance for this term, they have fallen below our school attendance target of 96%.

You will see from our attendance ladder that your child is currently in the **Amber Attendance Group**. We will monitor their attendance closely over the next term and hope that they will soon move up the ladder and become green.

Please speak to the Pastoral Team or your child's class teacher if you need any support to improve your child's overall attendance or if there is any specific issue that we should be aware of.

Thank you for your support.

Dear

This letter is to let you know that having reviewed your child's attendance for this term, they have fallen below our school attendance target of 96%.

You will see from our attendance ladder that your child is currently in the **Amber Attendance Group**. **As their attendance is below 92% they are at risk of becoming red and their attendance being a cause for concern.**

For this reason, Mrs. Lammond (Our Pastoral Manager) will monitor your child's attendance throughout the next half term. If you have any queries about this, please contact us at school.

I look forward to seeing your child's attendance score increase over the coming weeks. If you have any questions about this letter, please contact me or Mrs. Lammond.

Thank you for your support.

Dear Salutation

R.E: *****

DOB: *****

Current attendance: **** %

I am writing to inform you that your child's attendance percentage, at time of writing is *** %. Lyme's attendance target for every pupil is 96%. It is important that your child's attendance falls no lower to avoid any adverse impact on their learning. When a child's attendance drops below 90%, the government guidelines indicate that this is considered 'persistently absent' (PA).

The Government counts all absence, even that agreed by school, because poor attendance may impact on all areas of your child's school life. School is expected to identify persistently absent pupils and work with them to improve their attendance. This means that as a Parent, you may be invited to a school meeting to discuss your child's absences. If you receive an invite to a meeting, you should attend so that we can discuss any targeted support that may be needed to remove any barriers to learning.

From the time you receive this letter, you need to provide medical evidence to support your child's absence, and this can be one or more of the following:

- a dated appointment cards
- Copy or sight of prescription medicine
- Care at the chemist evidence
- Medical appointment letter (we do not expect you to ask the doctor for a letter because this may cost money)

Please ensure that your child continues to attend school every day unless they are genuinely unwell.

Under Section 444 of the Education Act 1996, you are responsible as a Parent to ensure your child attends school regularly.

If you wish to discuss this letter, please contact school or our school's Education Welfare Officer

Yours Sincerely

Mrs J Lammond

Persistently Late Children

Dear *****,

I have already written to you regarding ***** being persistently late for morning registration at school but unfortunately this has not improved. Since our last letter there have been *** instances of lateness amounting to *****. I have attached a copy of her attendance record to illustrate the frequency of these late arrivals and to show why it is causing concern.

Regular attendance and punctuality are essential to your Childs learning opportunities and therefore their future opportunities. A child who arrives on time is settled and ready to gain the most from their education and the day. A late arrival not only delays your child's involvement in lesson, but it can also be disruptive to the class as a whole. Your child's attendance will be reassessed in 3 weeks' time, and we hope to see an improvement. If there is no improvement you will be invited to a meeting in school to discuss the ways in which we may work together to address this.

If there are any circumstances which the school should be aware of that may impact on this matter, please contact me at the school and we will be happy to support you and your child in any way we can.

Thank you for your co-operation in this matter.

Yours sincerely,

Mrs. J Lammond
Pastoral Manager
